

2025/2026 Birch Lake Winter Drawdown Notification

21 Aug 2025

Birch Lake Winter Drawdown Notification

WINTER DRAWDOWN SCHEDULED. The annual winter drawdown for Birch Lake is scheduled October 1st, 2025 through October 15th, 2025. Water levels will be dropped 1.0' from the normal summer target elevation of 1131.0 to the winter target elevation of 1130.0. Water levels will be kept at the winter target elevation until all of the ice melts in the spring.

Brian Danielsen, P.E. Washburn County Highway Commissioner
