

# LET'S TALK HOUSING!

Your input matters! Washburn County EDC is conducting a survey to gather feedback from local residents about housing needs in our community. This valuable data will shape the county's housing study led by CEDA.

<https://tinyurl.com/WashburnCoHousing>

Take just 10-15 minutes to complete the survey and make your voice heard in planning Washburn County's housing future. The survey will be available from March 27 - April 25.
